

	VT82C586	VT82C586A
Universal Serial Bus Controller	USB v1.0 and Intel Universal HCI v1.0 compatible	USB v.1.0 and Intel Universal HCI v.1.1 compatible
Enhanced Master Mode PCI IDE Controller	-	Extension to UltraDMA-33 / ATA-33 interface for up to 33MB/sec transfer rate
Plug and Play Controller	-	PCI interrupts steerable to any interrupt channel
Sophisticated Power Management	Six external event input ports with programmable SMI condition	Seven external event input ports with programmable SMI condition
	APM 1.1 compliant	APM 1.2 compliant
PIN OUT in numerical order	89-MDRQ1 PLUG AND PLAY DMA REQUEST	89-DRDYB# I/O Channel Ready B.
	90-MDACK PLUG AND PLAY DMA ACKNOWLEDGE	90-APICCS# External IOAPIC Chip Select.
