*** Recommendation :

**1. Do not plug too High-End AGP (TNT series , Voodoo 3) card .
suggestion as below 8MB , such as : SiS 6326 , S3 Trio3D , or PCI
display cards .**

2. Shall use Bigger CPU FAN for high speed CPU .

1. AMD K6-2 450 MHZ (100 x 4.5 2.3V)
