

AU11 Chameleon

AU11 Chameleon is the latest addition to the award winning FIC range of AMD processor mainboards. The AU11 is also the first FIC product to be based on an nVidia chipset.

Based on the brand new nVidia nForce2 chipset, the AU11 is designed to provide both performance and functionality. The AU11 supports the very latest AMD Athlon XP processors at clock speeds of up to 2.4GHz and beyond and up to 3 GB of super fast DDR400 memory can be installed. The AU11 also features 128 bit dual channel memory architecture and 333MHz Front Side Bus (FSB).

Other key features of the AU11 include support for AGP 8X, on-board 10/100 Ethernet LAN, 5.1 channel sound, 6 USB 2.0 ports and IEEE 1394. An FIC exclusive 1stMainboard NOVUS BIOS utilities and generous bundle of free software which include Norton Anti Virus, Norton Ghost, Norton Personal Firewall and adobe Acrobat Reader.

Hardware Specifications:

Processor

AMD Athlon XP Processors
AMD Athlon Processors
AMD Duron Processors
200/266/333 MHz System Data Bus

Chipset

nVIDIA nForce2 128SPP
nVIDIA nForce2 MCP-T

Memory

3 DDR DIMM; Up to 3GB
DDR 200/266/333/400 memory support
supports 128bit dual channel memory architecture

Audio

Realtek ALC650 5.1 Channel Codec

Onboard LAN

Realtek RTL 8201L

Expand Slots

1 AGP 8X
6 PCI

Onboard IO

1 PS/2 mouse, 1 PS/2 keyboard connector
1 Parallel port
1 RJ-45 connector
1 Audio connector Line-in, Line-out, MIC-in (vertical)
1 6channel pin header
2 Serial ports
2 IEEE 1394 pin-header
4 rear USB connectors and 1 front-pin-header supports 6 devices (USB 2.0 support)
WOL/WOR pin header

Onboard IDE

2 dual-channel enhanced PCI bus master IDE connectors
ATA 100/133

System BIOS

2Mb flash ram
ACPI 2.0 compliant

Protect Management

Auto Power Failure Recovery
ACPI ready (STD)
suspend to RAM
H/W Monitoring

NOVUS Features

BIOS Guardian
Logo Genie
HotKey
Overclock Partner
1stAid

Power

20-pin ATX power connector

Form Factor

ATX
9.6' X 12'
