ISA MOTHERBOARD INTEL 845 Socket 478 FSB 533

P4I845GVISA

SOYO MB-P4I845GVISA pushes the envelope by hiking FSB from conventional 400 to excepional 533MHz for the support of the latest Pentium 4 Prescott CPU, extending the life span and compatibilty of more economical and affordable Intel 845 chipset. In addition to its comprehensive support for (SY-P4I845GVISA Plus only), USB 2.0, ATA100, 6-channel AC' 97 CODEC, and PCI slots, the 3 onboard ISA slots are extensively tested for compatibility with legacy ISA devices and prolong their life circles. MB-P4I845GVISA provides immearsurable value to the integration of obsolete devices with state-of-the-art Pentium 4 CPU & OS, a true ELIXIR for ISA.

> FEATURES

Expansion Slots
4 * PCI slots, 3 * ISA slots, 2 * DDR SDRAM memory slots, 2 * IDE slots, 1 * Floppy slot
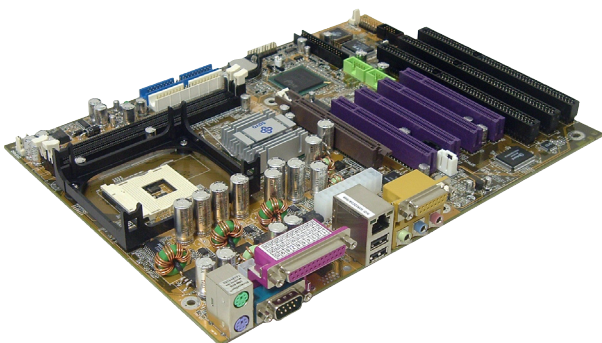

Graphics Info
Intel Extreme Graphic supports DirectX 8 & Open GL 1.1, rendering realistic animated and static 2D/3D graphics and sharp text quality at up to QXGA resolution.

CPU Interface
Socket 478, Prescott 400/533 FSB

System Memory Description
Non-registered and non-ECC DDR 333/266 SDRAM, PC 2100/2700

ISA MOTHERBOARD INTEL 845 Socket 478 FSB 533 (P41845GVISA)

MFG. P/N: MB-P41845GVISA

TECHNICAL SPECIFICATIONS

Form Factor	ATX
Processor Type	Intel Pentium P4 Prescott / Celeron / Celeron D Socket 478 CPU with 533/400 FSB
CPU Interface	Socket 478
Graphics Info	Intel Extreme Graphic supports DirectX 8 & Open GL 1.1, rendering realistic animated and static 2D/3D graphics and sharp text quality at up to QXGA resolution.
Chipset Description	Enhanced Intel 845GVISA & ICH4 Chipset support Intel Pentium 4 Prescott / Celeron Socket 478 CPU with FSB 533/400MHz, DDR 333/266 SDRAM, USB 2.0, ATA100/66, PCI
Chipset Type	Power Supply Power Consumption
System Memory Description	Non-registered and non-ECC DDR 333/266 SDRAM
Expansion Slots	4 * PCI slots 3 * ISA slots 2 * DDR SDRAM memory slots 2 * IDE slots 1 * Floppy slot
IO Description	6 * USB 2.0 ports (2 on back panel, and 4 by onboard pin-header) 1 * 10/100 LAN port 1 * LPT port 2 * RS-232 port (1 on back panel, 1 by onboard pin-header) 2 * PS/2 ports 1 * Audio Jack (Line-in, Line-out, Mic
IDE Description	2 * ATA 100/66 IDE slots connecting up to 4 IDE devices
OS Compatibility	Win2000 Win98 WinME WinXP Linux FreeBSD
Dimension Description	30.5 cm x 22.5 cm (12" x 8.85")

Package Includes: 1 * SY-P4I845GVISA Motherboard, 1 * IDE Cable, 1 * FDD Cable, 1 * Back Panel, 1 * Driver CD, 1 * Quick Start Guide
